

Tribal College and University Climate Research: A Seven Generation Vision for the Living Earth

As a part of the National Museum of American Indians:

The Living Earth Symposium

Have your posters exhibited at the
National Museum of American Indians

The American Indian Alaska Native Climate Change Working Group is facilitating the selection of 20 scientific posters by tribal College students focusing on the environment. Posters will be juried by a panel of scientists and tribal college and university faculty. Posters must be submitted electronically by close of business day on **Monday 07/19/10**.

Send posters to:
shereena_rose@hotmail.com

Students will be notified of
competition results by closing of
business day **Friday 07/23/10**

If you have any further questions, feel
free to call Shereena Baker at
